The Dakshana Foundation
Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend a premier engineering/medical college, but cannot afford to be coached professionally by a world-class coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees, study material, accomodation and food at the Dakshana Campus in Pune. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Joint Dakshana Selection Test (JDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including State government School records, Principal and school staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate the scholarship at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

Application

Dear Student,
Here are six questions that will help us know you better. Please answer them truthfully and completely. The answers to these questions will not influence your selection as a Dakshana Scholar.

Introduce your family to us. Start with your father, mother and then your brother/s and sister/s. Tell us what they do, what they like or dislike etc. Also tell us what your immediate uncles (mama and chacha) do for a living.

My father is a ~~fat~~ farmer. He is so aware taking my studies. My mother is housewife. She helps my father whole the day in farming. My mother and father both earn whole the day so that ~~their~~ study of their children would not be affected in any way. My elder sister is graduating now and my brother is studying in class X^th.

Why should you be awarded the Dakshana Scholarship? If you are not selected to be a Dakshana Scholar, what will you do?

I want to become a dakshana scholar because it made a good impression on me and the another reason is financial condition of my family, which is so weak. I want to become a doctor and dakshana is the only way by which I can become a successful doctor. If I would not be selected for dakshana then I will think something other ~~which~~ ~~the~~ of which my father can handle.

What is your ambition in life?

I want want to become a successful and valuable doctor. I want to help poor people by making an institute for their children, which will select intelligent students of rural area and provide free of cost education to them.

dakshana

How would you like to contribute to the society and the world when you become successful?

My success will contribute society in many way. By direct or indirect methods. Other students living in my surrounding and studying with me will be motivated by me. I will tell them importance of education and will provide them information about many institutes and help them financially also.

Describe an incident in your life that has motivated/inspired you to do better.

Recently my mother fell ill. She suffered from back injury during working in our house. Doctor advised my father that her backbone had broken and you can get best treatment from Mumbai only. It required a large amount of money which ~~was~~ ~~not~~ my father arranged from rich people in village who ~~demands~~ gave us money on large interest which made my father so sad and depressed.

Tell us about your interests and hobbies.

My hobbies include helping people ~~and giving to them~~. I like talking with old people in the family and giving them some knowledge of science ~~to them~~ and to children also.
