The Dakshana Foundation
Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend a premier engineering/medical college, but cannot afford to be coached professionally by a world-class coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees, study material, accomodation and food at the Dakshana Campus in Pune. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Joint Dakshana Selection Test (JDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including State government School records, Principal and school staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate the scholarship at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

12th Half yearly	2018	86	80	83	-	85
12th Board	2019	80	82	76	-	81

Leave blank where results are awaited.

Dear Student,
Here are six questions that will help us know you better. Please answer them truthfully and completely. The answers to these questions will not influence your selection as a Dakshana Scholar.

Introduce your family to us. Start with your father, mother and then your brother/s and sister/s. Tell us what they do, what they like or dislike etc. Also tell us what your immediate uncles (mama and chacha) do for a living.

My father is a simple living man who earns for the maintenance of our family. And my mother is a housewife. Her way of living is as simple as my father. They both dislike getting benefits by any free of cost. For obtaining it they both like to do hardwork as much as they can. My immediate uncles does some small businesses for living.

Why should you be awarded the Dakshana Scholarship? If you are not selected to be a Dakshana Scholar, what will you do?

Awarded in the sense is that those who became a Dakshana scholar or get the scholarship he/she must be provided a good education and facility such that he/she can make his/her own future. Some amount of money can be also awarded because most of the students who appear the examination belong to poor classes of family. The institution must build up the confidence of the scholar which will result as an award. If I am not selected I will not be dissatified and I will try more harder to achieve since I got some idea of the competition level.

What is your ambition in life?

My ambition in life is to become a Doctor. I would like to serve people of India and even of the world. Doctor is a better profession of humanity I believe. My parents too prefer it because in our village there is no doctor. So my parents desire that I should become a good doctor and serve our people.

How would you like to contribute to the society and the world when you become successful?

If I became successful I would do free check-ups weekly in the underveloped areas where proper medical facilities are not anaivable. Spread awareness about various diseases to people. I will try my best to educate people in the village areas where people are not at all aware of it.

Describe an incident in your life that has motivated/inspired you to do better.

The person who have motivated me to do better is the great Scientist APJ Abdul Kalam He is a very good example for the dalit one that by being a low caste we can do everything. Nothing is impossible in life. If we ~~we~~ decide in life that we have to do something to achieve success then no one can stop us in achieving our goal.

Tell us about your interests and hobbies.

I have interest in adventurous life along with exploring various new ideas and making new things. My hobbies are in painting and sketching.
