The Dakshana Foundation
Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend a premier engineering/medical college, but cannot afford to be coached professionally by a world-class coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Joint Dakshana Selection Test (JDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including State government School records, Principal and school staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate coaching at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

dakshana

application

Please write essay (in English or Hindi) Between 300 - 500 words which begins with

I'd like to become a Dakshana Scholar and hopefully attend Engineering/Medical college because

I think that Dakshana is the most felicitious to the J.N.V. students especially those students who belong to poor family. A poor student can't afford to fulfil his or her parents dreams. But due to 'DAKSHANA' there is no constaints for talented students who have poor economic background. 'Dakshana' provides free coaching, fooding and lodging along with love and affection towards the scholars. The faculties of Dakshana are very much talented and experienced as they have qualified many screening test to become a Dakshana faculty. The Dakshana foundation' course for one year occurs in Pune Valley. Where there is an environment of peace and calmness and a right condition for students to study. Here, the students are deprived television, android phone

etc. for recreation of students. Although recreational activities like outdoor games facility to students are provided so that they can enjoy and can get rid of pressures of study. At last, I want to give my heartiest thanks to "Sir Mohinish Pabrai" who had think about us.

(You can use this form or a separate piece of paper. Please submit the essay in your own handwriting)
