dakshana

Annual Report 2016

The Dakshana Foundation

Dear Friends:

Dakshana successfully completed its 10th full year of operations in 2016. Since inception in 2007, the IITs have accepted 1,589 Dakshana Scholars (out of a total universe of 2,505 Dakshana Scholars) – a success rate of 63.43%. Not too shabby – considering that the IITs accept under 2% of applicants. In 2017, out of 461 Dakshana Scholars who were prepared for the test, 391 made it – a success rate of 85%. Not only was this our largest batch ever, the results are the best ever for Dakshana!

> *(Over the last fifty years) if you took our top fifteen decisions out,*
> *we'd have a pretty average record.*
>
> - Charlie Munger

Five Great Decisions

I've made innumerable bad decisions for Dakshana since inception. Thankfully, we've also made five great decisions over the last eleven years. These were:

1. Committing to give away 2% of wealth annually at the age of 42. (2006)
2. Cloning Anand Kumar's Super 30 model. (2007)
3. Partnering with the JNV System/Government of India. (2007)
4. Bringing on Colonel Ram Sharma as CEO. (2009)
5. Acquiring Dakshana Valley for $10 million. (2013)

These five great decisions have trumped all the bad ones. Dakshana's model of alleviating poverty and unleashing the tremendous lost talent in rural India has been successful beyond my wildest dreams. The fifth decision was an especially hard one when we made it in 2013. We stretched bigtime to make it happen. Out of the $20 million or so that Dakshana has spent over the last decade, the Dakshana Valley purchase represents half the pie. And it will likely absorb tens of millions of capex in the years ahead.

> *You stuck to your principles and when opportunities came along,*
> *you pounced on them with vigour.*
>
> - Charlie Munger

Today the Dakshana Valley purchase looks like a no-brainer. Without it we could not embark on several of our new initiatives that will be central to our relevance in the decades ahead. It is the bedrock on which we'll grow and scale Dakshana.

These are the realities of life and investing as well. A few great decisions are likely to trump a number of bad ones.

Dakshana Begins Medical College Coaching

Over the years, several of our scholars changed their minds and decided their true calling was to be doctors rather than engineers. The admission process for medical school in India is similar to engineering. Admission is based on performance in competitive exams after high school. The only difference is that while the IIT entrance exams focus on Physics, Chemistry and Mathematics (PCM), the medical entrance exams focus on Physics, Chemistry and Biology (PCB). In the past, several of our scholars studied Biology on their own, did well in the medical entrance exams and went on to become great docs. We've had cases where some of our gifted kids have gotten top ranks in the IIT entrance exams *and* secured admission in some of the country's best medical schools as well.

In 2016, Dakshana formally started coaching for medical school at Dakshana Valley. We accepted 69 scholars for our first one-year medical coaching batch. Out of these 69, at least 60 will get offered a seat at a government medical college in India. The remaining 9 did well enough so that they'll be offered a dental school seat and might get a medical school seat as well. It is an outstanding success rate. The scholars, faculty and Dakshana management all worked incredibly hard to get these results.

In India, becoming doctors is of more interest to high school girls than becoming engineers. And, at Dakshana, we believe we are doing far more social justice when we support a girl versus a boy. It was thus a no-brainer to add medical coaching. Out of these 69 medical Dakshana scholars, 15 were girls. We ended up with 22% girls versus a more typical 10% or lower number on the engineering side. More importantly, 13 out of the 15 girls did well enough to be guaranteed a medical college seat.

The subsidy offered by the Government of India for medical schools is even higher than for the IITs. Annual out-of-pocket costs for tuition, room and board at state-funded medical schools in India ranges from \$150-400/year. Even this can be a daunting sum for our scholars, and we've helped arrange loans and grants through partner NGOs to ensure that our scholars face no financial hurdles.

One of our female scholars in this first batch was Ms. Sadiqa Mehroon from Kargil district in the state of Jammu & Kashmir. Her village is a stone's throw from the Line of Control, the defacto border between India and Pakistan. It is one of the most militarized borders on the planet where periodic artillery fire is the norm. Her village has no doctors. The closest hospital is hours away. Sadiqa hopes to return to her village after medical school and change the desolate healthcare situation in her community. Sadiqa's mother is illiterate and her father is a farmer earning less than \$80/month. We, at Dakshana, hope to unleash all the talent and drive of tens of thousands of Sadiqas in the years ahead to help "fix India."

Dakshana Valley: The Best Place on the Planet for IIT and Medical Entrance Exam Coaching!

In 2016, we also accepted 60 scholars for IIT entrance exam coaching at Dakshana Valley. 58 of these 60 scholars cracked the exam – a success rate of 97%! We also had 10 scholars return for an additional year of coaching in preparation for their 2nd attempt at the JEE at Dakshana Valley. Of these 10 "repeaters", 100% of them cracked the exam. Spread over 109 acres with two valleys, five lakes and dozens of acres of orchards, Dakshana Valley offers very few distractions for scholars. They have world-class faculty, classrooms, dorms and nutritious meals provided to them. It is, in my opinion, the best place on the planet to prepare for the IIT and medical entrance exams.

When Dakshana does coaching at most JNVs, we have very limited control beyond faculty and scholar selection. At Dakshana Valley, Colonel Sharma and his amazing team control virtually every facet of the program. The Colonel does not believe in cutting corners. He and his able team have worked hard to provide scholars with an environment that maximizes their odds of success. It has worked vastly better than I ever imagined.

In 2016, Dakshana Valley hosted 139 scholars. That number will nearly double in 2017 and we intend to keep increasing capacity till we are well past hosting 1000-1500 scholars at any given time at Dakshana Valley. The scaling at Dakshana Valley is almost limitless and we intend to fully tap its potential in the decades ahead.

Cloning the Charles T. Munger Hall

The Charles T. Munger Hall and most of its associated buildings were commissioned in 2016. It took five years to build from the time I originally proposed it to the Government of India as a win-win public-private partnership. A picture is worth a thousand words and a structure is worth a thousand pictures. After Senior JNV and Ministry of Human Resources Development (MHRD) officials visited the Hall, they got super excited to rapidly clone it. It is truly a marvelous facility.

JNV Pune has been chosen as the next Center of Excellence. The Government of India works on precedence. New initiatives are hard to get off the ground (as we saw with the 5-year Munger Hall gestation period). However, once a precedent is established, it goes a lot faster. The government is telling us that they intend to have the Pune center ready in 2019. And they intend to do several more in the years ahead. The government has also told us that future centers will be developed 100% with taxpayer rupees (!!). However, they want us to fully manage the architectural design, scholar selection and coaching of scholars at all centers. Our preferred architect, Mr. Sandeep Kohli, is designing these future centers.

In 2011, we proposed to the government that we'd spend $300,000 and the government would spend $2 million on developing the first Center of Excellence (Munger Hall and related buildings) in an innovative public-private partnership without precedent. Each new center will cost $3-4 million and there are plans to do a half a dozen such centers. The $300,000 investment by Dakshana in Munger Hall may eventually be matched 60:1 by the government as they eventually spend $25-30 million on these future centers of excellence. I love our *equal* partnership with the Government of India!

2016 Financial Overview

<div align="center">

Table 1.   Financial Overview

</div>

2016 Dakshana Financial Overview (in thousands of US$)	
Cash and Marketable Securities on 12/31/15:	**$ 1,697**
Scholar and Overhead Expenses:	($1,162)
Dakshana Valley Purchase:	($1,762)
Construction Expenses:	($320)
Contributions by Donors:	$1,200
Contributions by Pabrai Family:	$1,190
Donated Coaching Services:	$26
Donated Corporate Services:	$2
Net Investment/Forex Gain (Loss):	$48
Cash and Marketable Securities on 12/31/16:	**$ 891**

We have nearly fully paid off the $10 million Dakshana Valley purchase price. We intend to clear the last of the payments in 2018. Once we have paid off the Valley in full, it will open up considerable funds to embark on increasing capacity at Dakshana Valley and scaling up.

Direct Scholar Expenses

In 2016, we spent $1,161,500 on the Dakshana Scholar Program and related corporate overhead. In addition, T.I.M.E donated about $25,900 in IIT coaching services. Also, Abhay Bhagat donated IT and accounting services worth $2,000 plus the Government Hospital at Chandoli donated about $225 in free medical care, bringing the real total to $1,189,625. Of this amount, $825,975 was spent directly on the Dakshana Scholar Coaching Program and $363,650 comprised of our corporate overhead. Let's examine the scholar expenses in a bit of detail.

During 2016, we delivered the equivalent of 761 scholar years of JEE & NEET coaching. Of this number, 108 scholar years were for the 1-year program and 653 scholar years for the 2-year program. Both ended up costing us about $2,171/scholar because in the case of the 1-year scholars, room and board approximates $1,085/year.

<p style="text-align:center;">**Table 2. Dakshana Scholar Cost Data**</p>

Year	Cost/Scholar	Scholar Years
2007	$3,650	176
2008	$3,086	524
2009	$2,100	356
2010	$1,922	270
2011	$2,475	219
2012	$2,553	398
2013	$2,450	576
2014	$2,053	689
2015	$2,516	676
2016	$2,171	761

We delivered more scholar years of coaching in 2016 than in any previous year. Dakshana has historically been constrained in its growth based on seats available at various JNV campuses. Now with Dakshana Valley, we are able to plan our growth. Dakshana Valley's student count for the 2017-18 year is around 250 – an 80% increase over 2016-17.

With Dakshana Valley's growth and the additional centers of excellence coming on stream in the next few years, the super stretch goal of 2020 in 2020 is likely to get realized, albeit in the early 2020s.

Corporate Overhead Expenses

Our corporate overheads in 2016 of $363,650 made up about 24% of our outlays (including our construction expenses). This seems extraordinarily high relative to the spending on the scholars. It is high, but, unlike many other foundations, the Dakshana Scholar program is a direct program run by Dakshana. Many of these so called "overhead expenses" are actually core to the program. For example, when our staff makes frequent trips to the various JNV campuses, they are classified as overhead, but they are 100% focused on ensuring program and scholar success.

We typically do not make grants to other non-profits. We run these very labor and management intensive programs ourselves. With staff and scholars spread across eight remote locations in India, the logistical overheads and costs are quite significant. It does involve considerable travel, infrastructure and staff to execute. Also, it is hard to cut overhead below a baseline. Nonetheless, as we scale up our scholar base, we do expect the overhead expenses to become smaller portions of the pie.

Our fully loaded cost (including corporate overhead and excluding construction) was $2649/scholar in 2016. For the forseeable future, a good rule of thumb for Dakshana is to assume direct scholar expenses in the $2,000 to $2,500 range and overhead expenses in the $250 to $500 range, leading to a $2,250 to $3,000 fully loaded cost per scholar.

The Cost to Produce an IITian

While the direct and overhead costs to support a scholar matter, it is the cost to produce an IITian that is the real benchmark that matters. It is the report card on how effective our spending and give back endeavors truly are.

<div align="center">

Table 3. Dakshana Scholar Cost Data

</div>

Year	Direct Avg. Cost/Scholar	Corp. Overhead Cost/Scholar	Total Avg. Cost/Scholar	Percentage getting to IIT/Med*	Cost to get a scholar to IIT/Med**
2007	$3,650	$1,320	$4,970	0%	NA

2016	$2,171	$478	$2,649	85%	$3,116

*next year
**Med School Training began in 2016

It used to cost Dakshana over $11,500 to get one scholar to IIT. This improved dramatically over the years – all the way down to $3,116 in 2016 for scholars qualifying for IIT or Medical School – our lowest cost ever. Further, most of the 15% that didn't make it to IIT are heading to pretty respectable institutions like the NITs etc.

Dakshana's costs to get the average scholar to an IIT or medical school are coming down, just as I had envisioned at the outset. The variables that drive this are direct scholar costs, corporate overhead and our success rate. We are working hard to optimize the first two variable while trying to maximinize the all important last one. The team delivered in spades in 2016.

Dakshana's Financial Health

From the outset, Harina and I committed to give 2% of our net worth to Dakshana every year as long as our net worth exceeds $50 million at the end of any given year. Based on this formula, the amounts expected to give and actually given are as follows:

Table 4. Mohnish Pabrai and Harina Kapoor - 2% of Net Worth vs. Actual Giving

	Expected To Give	Actual Giving	Difference
2006	$ 1,067,983	$ 577,420	$ (490,563.00)
2007	$ 1,302,924	$ 3,355,350	$ 2,052,426.00
2008	$ -	$ 106,491	$ 106,491.00
2009	$ -	$ 69,450	$ 69,450.00
2010	$ 1,168,983	$ 345,064	$ (823,919.00)
2011	$ -	$ 1,044,480	$ 1,044,480.00
2012	$ 1,084,215	$ 200	$ (1,084,015.00)
2013	$ 1,511,701	$ 820,710	$ (690,991.00)
2014	$ 1,526,951	$ 3,404,487	$ 1,877,536.00
2015	$ 1,244,044	$ 486,660	$ (757,384.00)
2016	$ 1,293,438	$ 1,190,240	$ (103,193.00)
Total	$ 10,200,239	$ 11,400,552	
Excess Given:		$ 1,200,313	

Dakshana is in the very best financial shape it has ever been in. By 2018, we'll have completely paid off the last of the Dakshana Valley purchase. We've fully paid for and have the Charles T. Munger Hall up and running. And we have an endowment that is valued at around $700,000. As a result of the significant capex and love that has been poured into creating world-class infrastructure at Dakshana Valley over the last few years, it is worth considerably more than what we paid for it.

Dakshana's Wonderful Family of Donors

We had over $1.22 million in donations from our generous donors, with the Watsa family contributing $1 million. Every dollar matters and we are very grateful to our wonderful group of patrons.

Here is a list of our 2016 donors:

2016 Dakshana Donations Received (in USD)

Donor Name	State	Country	Amount
Prem Watsa		Canada	$ 1,000,150
Ruyintan & Monica Mehta	NJ	USA	$ 30,000
TIME (Coaching)		India	$ 25,904
Josh Levy	MA	USA	$ 21,600
Acacia Partners LP	NY	USA	$ 20,000
"Anonymous"	CA	USA	$ 14,100
Aman Handa	IL	USA	$ 10,000
Gaja Advisors		India	$ 10,000
Francis Chou		Canada	$ 7,566
"In Honor of Aswath Damodaran"	FL	USA	$ 5,000

Sushil Kumari		India	$	1
TOTAL DONATIONS			$	1,227,697

I am pleased to report that these gifted funds were used to buy books, improve scholar nutrition, create/improve classroom and dorm infrastructure, pay for coaching services for our scholars and, most importantly, fund a part of the Dakshana Valley purchase. Harina and I are grateful to our patrons for their generosity and wisdom.

And now, it's time for a short commercial break. With the home runs we are trying to hit, our needs are enormous. We need your support now more than ever before. You can make a gift to Dakshana by clicking/typing in this link:

<div align="center">http://www.dakshana.org/donate/donate.asp</div>

We accept all major credit cards and Paypal. You can also send us a check (in US dollars, Canadian dollars or Indian rupees). And your gift is fully tax deductible. We can also set up automatic recurring monthly charges to your credit card. $99 or C$130 a month for 24 months fully supports one scholar. You can even pick the scholar you'd like to support and we can arrange for interaction and meetings.

Donate your Beater Car. We'll even pick it up!

Through our partnership with Action Donation Services (www.actiondonation.org), Dakshana can accept donations of cars, boats, RVs, and other property donations anywhere in the United States. It is simple. You get a tax deduction. ADS picks up the vehicle (even if does not start!). Please call Action Donation Services at +1.866.244.8464, or us at +1.949.453.0609, or email Lynn Dann (ldann@dakshana.org) for more information.

The donated item will be picked up from a location of your choice at a time of your choosing at no cost to you. You will receive the maximum legal tax deductions and possibly a partial cash payment. This is a great way to get rid of that beater car and help a great cause!

Investment Gains

Unless donor funds are specifically designated by the giver to go into the Dakshana Endowment or given as part of our various auctions, they are kept in cash/money market and are spent throughout the year on various direct scholar expenses. We ended 2016 with about $30,700 of such donor funds in cash/money market. Contributions to Dakshana's Endowment usually get invested in equities and about 5% of the endowment account value at year-end is spent on scholar expenses.

Funds given by the Pabrai Family, Dakshana's Endowment or funds donated as part of the auctions are usually invested in public equities. We ended 2016 with about $695,000 invested in a few public equities. Our realized and unrealized gains in 2016 were about $40,000. It is a wonderful result.

Ebay Lunch Auction

The winner of the lunch auction in 2016 was, once again, Josh Levy. Here is what folks have paid for lunch with yours truly over the years:

Table 6. Ebay Lunch Results – 2010 to Present

Year	Winning Bid	Actual Proceeds	Winner
2016	$ 14,100.00	$ 21,600.00	Josh Levy
2015	$ 72,600.00	$ 72,600.00	Josh Levy
2014	$ 36,200.00	$ 127,000.00	Ray Faltinsky & Friends, Brandon Cohen
2013	$ 17,000.00	$ 25,000.00	Narendra Mulani
2012	$ 25,000.00	$ 55,000.00	Ray Faltinsky & Friends, Narendra Mulani
2011	$ 20,300.00	$ 65,100.00	Narendra Mulani, Ray Faltinsky & Friends
2010	$ 10,000.00	$ 26,000.00	Ray Faltinsky
Total	$ 195,200.00	$ 392,300.00	

In 2016, my value as a lunch companion was marked down considerably – an 80% drop from 2015! I hope to provide better company and a better wallet this year! Our seventh annual lunch/conference call auctions will be held in November 2017 on Ebay. In the true spirit of market-driven auctions, the bidding will start at $0.01 for both, with no minimum. The lunch auction winner will get my not-so-old wallet as well. It is rumored that there may be a stock tip in there (again with no reps and warranties).

The guidelines remain the same. The winner can bring up to 7 folks with him/her. The lunch will take place anywhere in Southern California or New York, or in any of India's metro cities, or another mutually agreeable alternate location. Anything is fair game to discuss, except specific stocks. Of course, you can ask about the stock tip. And I'll personally pick up the tab.

A few years back we started auctioning off an annual conference call with me with all proceeds going to Dakshana. The difficulty with the lunch auction is that meals can only take place in limited geographies. The conference call format allows anyone from anywhere on the planet to bid and participate.

Table 7. Ebay Conference Call Results – 2013 to Present

Year	Winning Bid	Actual Proceeds	Winner
2016	$ 9,100.00	$ 14,100.00	Anonymous
2015	$ 35,100.00	$ 57,000.00	Ray Faltinsky & Team San Diego
2014	$ 12,800.00	$ 15,000.00	Anonymous
2013	$ 50,000.00	$ 86,250.00	Ray Faltinsky & Team San Diego
Total	$ 128,900.00	$ 172,350.00	

The conference call auction is designed to level the playing field. Anyone can bid on Ebay. The call, which will be arranged at a mutually agreeable time, can have up to 7 participants. I will give a stock tip on the call (with no reps or warranties!) and will answer any questions related to that stock tip (or anything else the participants would like to discuss). The only topic off limits at both auctions is discussions on any current portfolio holdings (other than the stock tip).

The Dakshana Endowment

In 2013, at the suggestion of Advisory Board member Ruyintan "Ron" Mehta, we started the Dakshana Endowment. Dakshana's donors now have a choice. They can designate their contributions to be used immediately on our Dakshana Scholar program or it can go into the endowment. Funds in the endowment are invested in a highly concentrated manner and managed by yours truly. And at the end of every year, 5% of the endowment's value is spent towards the Dakshana Scholar program.

Ron seeded the endowment with a generous $50,000 contribution. The cost to support one scholar is approximately $2,000-2,500 and Ron figured that right off the bat, the endowment would be able to fully support at least one new scholar completely every year.

Table 8. Dakshana's Endowment

2016 Dakshana Endowment Overview
(in US$)

Cash and Marketable Securities on 12/31/15:	**$ 645,248**
Contributions by Donors:	$ 47,495
Spending on Dakshana Scholar Program:	($ 38,800)
Investment Gain (Loss):	$ 39,587
Cash and Marketable Securities on 12/31/16:	**$ 693,530**

We also directed all the proceeds from the various auctions to the endowment. I am very pleased to report that the lunch and conference calls led to over $400,000 being added to the endowment account over the last four years. We estimated (and slightly overspent) our expected 5% in 2016 and will fix that in 2017. The good news is that the endowment is off to a robust start and is already able to support at least seventeen scholars a year *into perpetuity*. I fully expect that the endowment will support a growing number of scholars every year.

Table 9. Endowment Scholars Fully Supported

Year	Endowment Scholar Support	Number of Scholars Fully Supported
2013	$ 8,450	3
2014	$ 13,002	6
2015	$ 41,880	17
2016	$ 38,800	19
Total	$ 102,132	45

As a Dakshana supporter, you can elect whether your contributions go into our endowment or are to be spent soon after we receive the same. Only funds explicitly specified as for the endowment go in there.

Our Coaching Partners and Faculty

Over the years we've worked with many coaching institutes as well. Many let us down and we no longer work with them. However, a few of them have delivered in spades and these relationships have deepened over time. They include Gravity, Resonance Eduventures, Rao Academy and T.I.M.E. We have consistently had trouble with doing the coaching ourselves with our own faculty. We've learnt a lot over the years and are getting better at it. In-house faculty and our alums as faculty will be increasing significantly in the years ahead.

The Team

One of the better decisions I've made in my life is bringing on Colonel Ram Sharma as the CEO of Dakshana in 2009. He did make it easy for me by offering to work for Rs. 1/year. The Colonel in turn has nurtured and groomed a wonderful team that includes Commander Arun Mishra, our Chief Academics Officer, and Ms. Sharmila Pai, our COO. They are supported by dozens of active volunteers and team members.

We've learnt a lot in the last ten years. Plenty of arrows in the back. However, a wonderful foundation has been set for Dakshana to bloom in the years ahead. We are just getting started. The best is yet to come!

Warmly,

Aug. 8, 2017
Irvine, California

Mohnish Pabrai
Founder & Catalyst

2017 NEET & JEE Results

It is always instructive to look at our detailed NEET & JEE results. Here are the summaries of our 2017 NEET results for the 69 students we selected that were interested in medical school.

And the summaries of JEE results for the 391 scholars we selected in 2015 (for the two-year program) and the 60 that we selected in 2016 (for the one-year program) plus the 10 "repeaters" who also attended at Dakshana Valley.

Dakshana's Class of 2017 NEET Results – 100% Qualified on First Attempt

2010				
Vikas Saroy	Fatehabad, Haryana	IIT Roorkee		Geophysical Technology
Yogesh Choudhary	Jaipur, Rajasthan	IIT Roorkee		Electrical Engineering
Sunil Kumar Meena	Dausa, Rajasthan	IIT Ropar		Electrical Engineering
Saurabh Verma	Jalaun, Uttar Pradesh	Indian Institute of Information Technology, Design and Manufacturing	Jabalpur, Madhya Pradesh	Computer Science & Engineering
Bhabani Sankar Biswal	Cuttack, Odisha	Indira Gandhi Institute of Technology	Talcher, Odisha	Mechanical Engineering
Amit Pratap Singh	Farrukhabad, Uttar Pradesh	Institute of Engineering and Technology	Lucknow, Uttar Pradesh	Computer Science & Engineering
Kalmul Haque	Chirang, Assam	Institution of Electronics and Telecommunication Engineers Delhi	Delhi	Electronics & Communication Engineering
Anuradha Shakya	Jalaun, Uttar Pradesh	Jalaun University	Jalaun, Uttar Pradesh	Arts
Dimpy Sonowal	Dibrugarh, Assam	Jayoti Vidyapeeth Women's University	Jaipur, Rajasthan	Electronics & Communication Engineering
Angtong Teron	Karbi Anglong, Assam	Jorhat Engineering College	Jorhat, Assam	Mechanical Engineering
Gurudev K. J.	Chikmagalur, Karnataka	JSS Academy of Technical Education	Bengaluru, Karnataka	Computer Science & Engineering
Ratnesh Mishra	Lucknow, Uttar Pradesh	K.K.V. Degree College	Lucknow, Uttar Pradesh	Science
Jai Prakash	Sant Ravidas Nagar, Uttar Pradesh	Kalinga Institute of Industrial Technology	Bhubaneshwar, Odisha	Computer Science & Engineering
Akash Singh	Sultanpur, Uttar Pradesh	Kamla Nehru Institute of Technology	Sultanpur, Uttar Pradesh	Civil Engineering
Yogesh Kumar	Saharanpur, Uttar Pradesh	Kashiram Engineering College of Information Technology	Ambedkar Nagar, Uttar Pradesh	Electrical Engineering
Kshetrimayum Priyobarta Singh	Thoubal, Manipur	Kha Manipur College	Thoubal, Imphal	Science
Moirangthem Jackson Singh	Thoubal, Manipur	Kirori Mal College	Delhi	Physics
Raj Kumar Susanta	East Imphal, Manipur	Kirori Mal College	Delhi	Economics
Sonu Ram Mohan	Madhepura, Bihar	Kirori Mal College	Delhi	Physics

Dakshana Alumni Information

Scholar Name	From	College Institute	Institute Location	Stream of Study
2010				
Banjaigiri Brahma	Kokrajhar, Assam	Kokrajhar Government College	Kokrajhar, Assam	Science
Ajay Kumar Babubhai Parmar	Ahmedabad, Gujarat	Lalbhai Dalpatbhai College of Engineering	Ahmedabad, Gujarat	Automobile Engineering
Aakib Javed	Bikaner, Rajasthan	Lovely Professional University	Jalandhar, Punjab	Computer Science & Engineering
Vinod Kumar	Bareilly, Uttar Pradesh	Mahatma Jyotiba Phule Rohilkhand University	Bareilly, Uttar Pradesh	Science
Susmita Soren	Saraikela, Jharkhand	Mahila College	Chaibasa, Jharkhand	Science
Khundongbam Borish Meitei	Thoubal, Manipur	Manipur Institute of Technology	Imphal, Manipur	Civil Engineering
M. Khamsuanhang Zou	West Imphal, Manipur	Manipur Institute of Technology	Imphal, Manipur	Civil Engineering
Anoop Kumar Sonkar	Varanasi, Uttar Pradesh	MANIT Bhopal	Bhopal, Madhya Pradesh	Civil Engineering
Pankaj Kumar Kumar Gautam	Barabanki, Uttar Pradesh	MANIT Bhopal	Bhopal, Madhya Pradesh	Civil Engineering
Pradeep Patel	Unnao, Uttar Pradesh	MANIT Bhopal	Bhopal, Madhya Pradesh	Electrical Engineering
Ajay Kumar	Latehar, Jharkhand	Marine Engineering and Research Institute	Kolkata, West Bengal	Marine Engineering
Ajay Kumar Chaudhary	Nawada, Bihar	Marine Engineering and Research Institute	Kolkata, West Bengal	Marine Engineering
Aman Kumar	Bokaro, Jharkhand	Marine Engineering and Research Institute	Kolkata, West Bengal	Marine Engineering
Chandan Kumar	Jamui, Bihar	Marine Engineering and Research Institute	Kolkata, West Bengal	Marine Engineering
Gautam Salvi	Udaipur, Rajasthan	MNIT Jaipur		Chemical Engineering
Jitendra Meena	Tonk, Rajasthan	MNIT Jaipur		Mechanical Engineering
Mohammed Sadik	Ajmer, Rajasthan	MNIT Jaipur		Computer Science & Engineering
Saurabh Pahariya	Tonk, Rajasthan	MNIT Jaipur		Mechanical Engineering
Deepak Kumar	Sant Kabir Nagar, Uttar Pradesh	MNNIT Allahabad		Computer Science & Engineering
