Students Not Shortlisted

Over 8,500 students took the Joint Dakshana Selection Test on December 09, 2018. Due to limited dorm and class room capacity, we are only able to accept the most promising ones. However, we would like to inform the remaining students who appeared for our test that you have all the talent needed to go to IIT or Medical college. You just need to put in the efforts and be properly guided. To the extent that your families and schools can provide resources, do try to prepare for the JEE/NEET in 2020. We wish you all the very best.
