## The Dakshana Foundation

### Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to study in engineering/medical college, but cannot afford to be coached professionally by a world-class coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees, study material, accommodation and food at the Dakshana Campus in Pune. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Joint Dakshana Selection Test (JDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including State government School records, Principal and school staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate the scholarship at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

Dear Student,

Here are six questions that will help us know you better. Please answer them truthfully and completely. The answers to these questions will not influence your selection as a Dakshana Scholar.

Introduce your family to us. Start with your father, mother and then your brother/s and sister/s. Tell us what they do, what they like or dislike etc. Also tell us what your immediate uncles (mama and chacha) do for a living.

Our family have 5 members including me. Head of our family is my father. He is a farmer. My mother is a housewife. Both my father and mother's education is below 10th. They do everything for our education. I have two younger sisters. One is studying in class 10th and other is studying class 8th in state government school.

Why should you be awarded the Dakshana Scholarship? If you are not selected to be a Dakshana Scholar, what will you do?

I think I should be awarded the Dakshana Scholarship because I need it most. As I belong to a farming community, it is very hard to afford medical coaching in private institute. I think Dakshana is the best platform which can give me the opportunity of getting medical coaching without any fee.

If I am not selected to be a Dakshana scholar, I will try for other scholarship exams.

What is your ambition in life?

I want to be a Cardiologist in future. After that I want to run a free mobile health care unit in rural areas with the help of other JNV Alumni students who are in Medical profession.

How would you like to contribute to the society and the world when you become successful?

When I will become successful in my career, I will open a mobile health care unit with help of other JNV Alumnies and go to rural areas and serve them with out any cost. I will fill the gap bet<sup>n</sup> the rural area peoples and the medical facility.

Describe an incident in your life that has motivated/inspired you to do better.

I have inspired from my mother to do better. She is just 8th pass but still she wants to learn new things in this age also.

Tell us about your interests and hobbies.

I like to play chess & badminton. My hobby is to study about space science and DNA technology and computer technology.
