Test centre code 107	Applying for : Engineering <input type="checkbox"/> Medical <input checked="" type="checkbox"/> (Tick appropriate)	

* As per class 10 CBSE Registration

The Dakshana Foundation

Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend a premier engineering/medical college, but cannot afford to be coached professionally by a world-class coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees, study material, accomodation and food at the Dakshana Campus in Pune. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Joint Dakshana Selection Test (JDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including State government School records, Principal and school staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate the scholarship at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

Dear Student,

Here are six questions that will help us know you better. Please answer them truthfully and completely. The answers to these questions will not influence your selection as a Dakshana Scholar.

Introduce your family to us. Start with your father, mother and then your brother/s and sister/s. Tell us what they do, what they like or dislike etc. Also tell us what your immediate uncles (mama and chacha) do for a living.

Our family is a poor family. My father is a daily wage labourer and my mother is a housewife. And I have a younger brother. My father and mother always tried to keep me happy by fulfilling my desire. They don't care about our society which does not allow girl's to stay in her own leg and always criticise it.

Why should you be awarded the Dakshana Scholarship? If you are not selected to be a Dakshana Scholar, what will you do?

I am a belong to a poor family this is the 1st reason that I should be awarded Dakshana scholarship. And belongs to a society which always criticise girls.

If I will not be a Dakshana Scholar then I will do my 100% effort to get or qualify NEET and AIIMS in next year.

What is your ambition in life?

My aim is to be a doctor as well as a human. Because I have seen many people who are poor that they can not afford money for medicine and my family also. I want to be social services in later part of my life.

How would you like to contribute to the society and the world when you become successful?

I will help poor people, by helping them and encouraging them to become a successful person in life.

Describe an incident in your life that has motivated/inspired you to do better.

Once when I was journey travelling from Dehra to Raipur in train that day was Raksha Bandhan. When I saw a poor boy was cleaning all compartment in his hand stick and that hand did not have Rakhe. And another boy was having fever and he was shivering. All these incidents inspire me to do better.

Tell us about your interests and hobbies.

My hobbies are gardening and helping peoples and make other people happy.
