The Dakshana Foundation Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend a premier engineering/medical college, but cannot afford to be coached professionally by a world-class coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees, study material, accomodation and food at the Dakshana Campus in Pune. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Joint Dakshana Selection Test (JDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including State government School records, Principal and school staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate the scholarship at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

Dear Student,

Here are six questions that will help us know you better. Please answer them truthfully and completely. The answers to these questions will not influence your selection as a Dakshana Scholar.

Introduce your family to us. Start with your father, mother and then your brother/s and sister/s. Tell us what they do, what they like or dislike etc. Also tell us what your immediate uncles (mama and chacha) do for a living.

My father is farmer and mother is housewife.
My younger brother is studying in JNV Gonda
in 8th class.
Our family motto is to be literate and study
well to pursue our career in future
and serve our nation with our services.
My uncles are also farmer.

Why should you be awarded the Dakshana Scholarship? If you are not selected to be a Dakshana Scholar, what will you do?

I should be awarded the Dakshana Scholarship
because I want to pursue my career
in medical field and Dakshana Scholarship
is the best career developing institute
that helps intellectual and poor as well
as rich student to study and crack
competitive exams.
If I will not get selection, I work hard
to crack NEET UG exam this year.

What is your ambition in life?

To be a doctor and serve my nation
with all of my services.
I want to be a doctor. I can serve
my patient who are fighting for life. I can
serve military and army person some
day and night protecting us from outside
attacks and terrorists.

How would you like to contribute to the society and the world when you become successful?

Since, nowadays, everyone is running behind money. wherever you see, you will find people in rush and race to get richer. With their income, their expenditure is increasing. When I get successful I will have free medical camp for poor people in village and donate all the money apart of my need to the people who needs it like orphanage, etc.

Describe an incident in your life that has motivated/inspired you to do better.

Once during my migration in Kerala, I saw an accident between a bike and tanker which thrilled me and my soul. Due to lack of medical facility the man get died and this incident motivated me to be a doctor and serve as much as possible.

Tell us about your interests and hobbies.

After studies, I would like to read some sci-fi novels or autobiographies and little bit of music like ghazals and a short hand in cooking food.
