The Dakshana Foundation

Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend a premier engineering/medical college, but cannot afford to be coached professionally by a world-class coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees, study material, accomodation and food at the Dakshana Campus in Pune. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Joint Dakshana Selection Test (JDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including State government School records, Principal and school staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate the scholarship at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

Dear Student,

Here are six questions that will help us know you better. Please answer them truthfully and completely. The answers to these questions will not influence your selection as a Dakshana Scholar.

Introduce your family to us. Start with your father, mother and then your brother/s and sister/s. Tell us what they do, what they like or dislike etc. Also tell us what your immediate uncles (mama and chacha) do for a living.

My father is a farmer and my mother is a housewife. I have two brothers and one sister. My brothers and sister are still studying. Among my two brothers one is younger than me. My father is very much interested to be a business man and my brother and sister want to be engineers. I don't have Uncle and my mama has his small business.

Why should you be awarded the Dakshana Scholarship? If you are not selected to be a Dakshana Scholar, what will you do?

I should be awarded the Dakshana Scholarship as it is for people who don't get quality education because of their family status. Therefore I want to get the quality of education as I only can't afford it with own. If I will not be selected to Dakshana I will find for some other help or help my father and continue studies.

What is your ambition in life?

My ambition in my life is to become a successful doctor. So that I could provide a good future to my family and also help all those people whom I could help with my profession and other things.

How would you like to contribute to the society and the world when you become successful?

When I will become successful, I will contribute all what I can do for this society and world. As being in rural area I find many problem regarding hospitals. I will open hospital in my village. And will provide new ideas which can enhance the modern technology.

Describe an incident in your life that has motivated/inspired you to do better.

It is the day when I show my father working on field. I show his hard works and asked him that why does he do this hard work, he has told just one thing "Just because I don't want my daughter and sons to do this". This was really motivated a lot to me. And I know I will fulfill my father dream.

Tell us about your interests and hobbies.

I am interest in searching new thing in garden. And my hobbies are dancing, singing and visiting new places.
