The Dakshana Foundation

Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend a premier engineering/medical college, but cannot afford to be coached professionally by a world-class coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees, study material, accomodation and food at the Dakshana Campus in Pune. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Joint Dakshana Selection Test (JDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including State government School records, Principal and school staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate the scholarship at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

Dear Student,

Here are six questions that will help us know you better. Please answer them truthfully and completely. The answers to these questions will not influence your selection as a Dakshana Scholar.

Introduce your family to us. Start with your father, mother and then your brother/s and sister/s. Tell us what they do, what they like or dislike etc. Also tell us what your immediate uncles (mama and chacha) do for a living.

My father, Khalid Hasan is a sales man in a shoe shop and my mother, Shafiqua Khatun is a house wife. My younger brother, Adnan Hasan study in Std. X and my sister, Uzma Bano in class VI. My parents like us to be happy and popularise their names. They dislike bad companies and ask us to do same. My maternal uncle is a daily wage electrician.

Why should you be awarded the Dakshana Scholarship? If you are not selected to be a Dakshana Scholar, what will you do?

My aim is to become a surgeon and help the society. I wanna specialised in neurology to eradicate the psychological problems of the society. If I wouldn't select I will go for self-study for NEET and AIIMS.

What is your ambition in life?

To became a neurologist and then open schools and hospitals in remote areas is my ambition.

How would you like to contribute to the society and the world when you become successful?

By opening hospitals and schools having quality facilities with 30 per cent reservation for poor at no cost. As a neurologist I will try to find new ways to eradicate health issues.

Describe an incident in your life that has motivated/inspired you to do better.

After SA-I examination of class IX I got 30 marks out of 90 in mathematics and similar in other subjects. My mother became sad & beat me then she took me to an institute teacher Shahid Aliq who treated me like his brother. From then I started rising. This incident was my turning point which had motivated me to do better.

Tell us about your interests and hobbies.

I like to play cricket, football, badminton, chess, etc. I also like to read story books, draw sketches, singing, etc.
