## The Dakshana Foundation

### Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to study in a premier engineering/medical college, but cannot afford to be coached professionally by a world-class coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees, study material, accommodation and food at the Dakshana Campus in Pune. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Joint Dakshana Selection Test (JDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including State government School records, Principal and school staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate the scholarship at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

Introduce your family to us. Start with your father, mother and then your brother/s and sister/s. Tell us what they do, what they like or dislike etc. Also tell us what your immediate uncles (mama and chacha) do for a living.

My father is a business man, he did his best for our education. My mother is a housewife. I have two brothers and only one sister. My elder brother read in Desghar College and younger brother read in Rikhiya. I have no uncle. My mama is also a business man.

Why should you be awarded the Dakshana Scholarship? If you are not selected to be a Dakshana Scholar, what will you do?

I think I need of Dakshana Scholarship so much because of our poor economical condition. I am interested for NEET but unable to pay for it. I am good in study and do hard labour for my study. There is a craze to become a doctor in my mind and I wanted to change it in my passion. If I am not selected to be a Dakshana Scholar, then I will try to complete by aim with some where else.

What is your ambition in life?

My ambition is to be a good citizen at first for my nation. I want to become a doctor and wanted to help everyone from my side as much as I can.

How would you like to contribute to the society and the world when you become successful?

I will help all at my level. I am try to give my best to everyone and specially needed one.

Describe an incident in your life that has motivated/inspired you to do better.

When last year there was selection of 4 students from our school. Then my curiosity is increased at sky level to do best and I am inspired very well.

Tell us about your interests and hobbies.

I like to singing, infact it is my hobby. Interested in dancing, many games such as basketball, volley ball, Carrom, badminton, painting etc.
