The Dakshana Foundation

Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend a premier engineering/medical college, but cannot afford to be coached professionally by a world-class coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees, study material, accomodation and food at the Dakshana Campus in Pune. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Joint Dakshana Selection Test (JDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including State government School records, Principal and school staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate the scholarship at any time after it has started.

Dear Student,

Here are six questions that will help us know you better. Please answer them truthfully and completely. The answers to these questions will not influence your selection as a Dakshana Scholar.

Introduce your family to us. Start with your father, mother and then your brother/s and sister/s. Tell us what they do, what they like or dislike etc. Also tell us what your immediate uncles (mama and chacha) do for a living.

I am Sunandan, belong to a family of farmer in a rural area of west Bengal. My father, Sukanta Dey is a farmer and only source of income in my family is agriculture. My mother, Sharna Dey is a housewife, and being the only child of my family, I have no brother or sister. All my immediate uncles are farmers and do farming for living.

Why should you be awarded the Dakshana Scholarship? If you are not selected to be a Dakshana Scholar, what will you do?

Dakshana Scholarship is for rural children who are economically backward, I am from such a family and think I am able to fit for Dakshana scholarship.

It will be hard for me to compete for NEET, if I am not able to get Dakshana scholarship, I will drop 1 year and will practice more and more for NEET.

What is your ambition in life?

I have seen in rural areas in hospitals there is official doctors but hardly they are physically present there, being a rural boy its my aim to be a good doctor and serve the rural peoples.

How would you like to contribute to the society and the world when you become successful?

In everywhere, the rural areas are lacking behind. In every services, I after being successful will contribute to the development of rural areas.

Describe an incident in your life that has motivated/inspired you to do better.

once In a busland due to some stupid behaviour of one mad person, I have heard one to tell that illiterate, rural man, that have motivated me to do better and prove to the world that rural peoples are not stupid and illiterate rather they have heart and are more developed, and when given opportunity they could do better.

Tell us about your interests and hobbies.

I like to read the books, related to human psychology and physiology and also story book. Planting trees are also one of my hobbies.
