## The Dakshana Foundation

### Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend a premier engineering/medical college, but cannot afford to be coached professionally by a world-class coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees, study material, accomodation and food at the Dakshana Campus in Pune. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Joint Dakshana Selection Test (JDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including State government School records, Principal and school staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate the scholarship at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

Dear Student,

Here are six questions that will help us know you better. Please answer them truthfully and completely. The answers to these questions will not influence your selection as a Dakshana Scholar.

Introduce your family to us. Start with your father, mother and then your brother/s and sister/s. Tell us what they do, what they like or dislike etc. Also tell us what your immediate uncles (mama and chacha) do for a living.

My father's name is NO. JOHRUL HAQUE. He has a small shop of electronic gadgets. My mother's name is MEHERUN NESABIA. She is a housewife. I have a elder sister named MUSFIKA KHATUN. She is married. with a Her husband is a primary school teacher. We have no any other sources of income except my father. My uncles are masons. They use to go Kerala for their income and for their family.

Why should you be awarded the Dakshana Scholarship? If you are not selected to be a Dakshana Scholar, what will you do?

I will be awarded the Dakshana Scholarship because it is very much helpful for a student who wants to prepare for JEE/NEET. It is free of cost which can save my father's a lot of money to fulfill my dreams. Probably I can't continue to this line if I am rejected. If I am not selected for DAKSHANA scholar I will study by private teachers and will try to crack NEET exam. It's very essential for my family to get a income source very fast because my father is not well in health.

What is your ambition in life?

My ambition in my life is to become a good doctor and serve my nation.

How would you like to contribute to the society and the world when you become successful?

I would <sup>like to</sup> contribute by not taking over fees of visit or I would not take any money from them who are not capable of actually paying the visit fees. I would serve my time 1 day/month or 2 day/month as in my village as without fees check up.

Describe an incident in your life that has motivated/inspired you to do better.

Not in mind now. Once in class 11 my biology teacher came in biolab and told about a old student of our school who got admission in medical college. He told that if those student (old student of our school) can do then I (my bio sir) want to see stethoscope on your neck. Its inspire me to this line. Also my father is interested to this line of study. He was also an inspiration for me.

Tell us about your interests and hobbies.

My interest is in playing football and cricket. I play football daily in my school.
