## The Dakshana Foundation

### Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to pursue higher engineering/medical college, but cannot afford to be coached professionally by a world-class coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees, study material, accomodation and food at the Dakshana Campus in Pune. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Joint Dakshana Selection Test (JDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including State government School records, Principal and school staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate the scholarship at any time after it has started.

Dear Student,

Here are six questions that will help us know you better. Please answer them truthfully and completely. The answers to these questions will not influence your selection as a Dakshana Scholar.

Introduce your family to us. Start with your father, mother and then your brother/s and sister/s. Tell us what they do, what they like or dislike etc. Also tell us what your immediate uncles (mama and chacha) do for a living.

My father is a farmer and my mother is a housewife. I am the only son/brother of my parents. My father is the only source of income in our home. I like to study and my mother also supports me very well. My immediate uncle has farm as well as shop and they represent a good support to me, although I have no brother and sister so my father's all dream is on my shoulders. We like to do always something new and I enjoyed a lot in communicating the tourists of that place.

Why should you be awarded the Dakshana Scholarship? If you are not selected to be a Dakshana Scholar, what will you do?

I should be awarded as the Dakshana Scholarship because I found it is the only organization which can give wings to my dreams. If I have the potential to do something then obviously I will be selected as a scholar, otherwise I will proceed by some other way than IT and try to level up my potential.

What is your ambition in life?

My ambition is to make the life more comfortable especially for poor people. I want that there should be my part in developing my nation, to become the good man and helpful to my societies. I want to do something for everyone who has a part for making me success.

How would you like to contribute to the society and the world when you become successful?

I want to do the job of welfare for the society. I want such world having no poor, just to develop good environment. No one should die with hunger and to help as more I can.

Describe an incident in your life that has motivated/inspired you to do better.

Once, when I got my best score in my class, my father and mother were so happy. That day I think that study is the matter which makes my parents happy. That smile of my parent has inspired me to do better in study.

Tell us about your interests and hobbies.

my hobby is to study.
