The Dakshana Foundation

Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend a premier engineering/medical college, but cannot afford to be coached professionally by a world-class coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Dakshana Selection Test. The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including State government School records, Principal and school staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate the scholarship at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

Here are six questions that will help us know you better. Please answer them truthfully and completely. The answers to these questions will not influence your selection as a Dakshana Scholar.

Introduce your family to us. Start with your father, mother and then your brother/s and sister/s. Tell us what they do, what they like or dislike etc. Also tell us what your immediate uncles (mama and chacha) do for a living.

Use these definitions to answer total household assets and household savings question on page 2:

Total Approximate Value of All Household Assets (Excluding Household Cash Savings): Represents the total value of land, house, and other assets owned by family but not including cash in house and bank account. This is a total number, not a monthly number.

Total Household Cash Savings: Represents the total value of cash held in your house and the value of cash in bank account. This is a total number, not a monthly number.
