The Dakshana Foundation

Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend a premier engineering/medical college, but cannot afford to be coached professionally by a world-class coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Dakshana Selection Test. The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including State government School records, Principal and school staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate the scholarship at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

Dear Student,

Here are six questions that will help us know you better. Please answer them truthfully and completely. The answers to these questions will not influence your selection as a Dakshana Scholar.

Introduce your family to us. Start with your father, mother and then your brother/s and sister/s. Tell us what they do, what they like or dislike etc. Also tell us what your immediate uncles (mama and chacha) do for a living.

my father's name is Mr. Gaya Prasad. He is a farmer. my mother's name is Smt. Gayatri Devi. She is a housewife. my younger brother's name is Amit Kumar. He is studying. my sister also studying her name is Ranyana.

Why should you be awarded the Dakshana Scholarship? If you are not selected to be a Dakshana Scholar, what will you do?

I should be awarded because I belong to a poor family and my family can't support me to become an engineer. If I would not be selected I will go for another way.

What is your ambition in life?

My name is Ankit. My ambition is to be an engineer and I want to improve my financial state.

How would you like to contribute to the society and the world when you become successful?

I will found an institution
like Dakshana foundation where
I use to promote education level.

Describe an incident in your life that has motivated/inspired you to do better.

Once when I was in
7th class. I have got very
less marks in mathematics at
that time. I was scolded
and motivated by my maths
teacher.

Tell us about your interests and hobbies.

I highly gifted in study. specially
in mathematics. I also like
to study biology.
