The Dakshana Foundation

Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend a premier engineering/medical college, but cannot afford to be coached professionally by a world-class coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Joint Dakshana Selection Test (JDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including State government School records, Principal and school staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate coaching at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

I'd like to become a Dakshana Scholar and hopefully attend Engineering/Medical college because

I have a great trust on this Dakshina one year Scholarship program. I want to become Cardiologist but I belongs to a middle class family and my family income is poor. I think that my dream can be fulfilled by this organisation.

This organisation would be very helpful for me. I assure that I would study dedicately. This program has given lots of students to be success in their life. If given me a

chance I hope that I would do better in my life. It would be very for great for me to become a dakshana scholar. This organisation is very trustable and helpful for the students. So I also want to be a part of dakshina. My family income doesnot support me to study to become[^] Cardiologist. This much affort my parents can't do for me and my aim is too far to reach due to this reason. I hope I will do the best and wants to become a part a daskhina as a daskhana Scholar. I have heard about this organisation which is very helpful and assures 100% results. So my aim can also be fulfilled by this dakshina one year scholarship program. I hope I will be the part of it.
