## The Dakshana Foundation Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend a premier engineering/medical college, but cannot afford to be coached professionally by a world-class coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Joint Dakshana Selection Test (JDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including State government School records, Principal and school staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate coaching at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

Please write essay (in English or Hindi) Between 300 - 500 words which begins with

I'd like to become a Dakshana Scholar and hopefully attend Engineering/Medical college because I want to be one of the best doctors ever known.

I want to enhance my qualities & my capabilities.  
In my opinion a good environment, proper guidance & well nourishment can lead to an enlightened future.

As per my concern in Dakshana the competition level is very high which will definitely boost up my spirit & my will to learn. I want to get into AIIMS or some good medical college and for that I need to score really well. And to score good one should have strong foundation, the basics should be clear enough, that's why I want to get into Dakshana.

I want an institute where I can clear all my doubts anytime. I want, and also there should not be any disturbance. Dakshana provides that opportunity to students.

As much as I know the facilities, study materials, environment, their rules and discipline is much good that's why want to get into Dakshana and want to attend medical classes.
