The Dakshana Foundation

Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend a premier engineering/medical college, but cannot afford to be coached professionally by a world-class coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Joint Dakshana Selection Test (JDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including State government School records, Principal and school staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate coaching at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

I'd like to become a Dakshana Scholar and hopefully attend Engineering/Medical college because ^{it is my} father's dream to see me as a doctor & I want to full fill his dream as well as mine. As I am from a poor family my parents can't afford the required money for private coaching. And I know Dakshana is the right platform for building up doctors & engineers. I want to do something for my country. And I will definitely do. In our society people think that doctor is the 2nd God. Because he/she can save the life of ill people. But I don't want to become 2nd God. I want to save life of ill people. Actually, one of my cousin is no more because of lack of proper medical check up. He was suffering from some kind of mental disease. But my aunt & uncle, specially uncle thought that it was something like supernatural power. Because of his thinking we lost my cousin. So, I don't want to lose any other life. I want to change the mindset of people of my village. And for that I have to become an MBBS doctor. I don't want anybody to lose his/her life because of lack of medical check up & facilities.
