The Dakshana Foundation

Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend a premier engineering/medical college, but cannot afford to be coached professionally by a world-class coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Joint Dakshana Selection Test (JDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including State government School records, Principal and school staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate coaching at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

Please write essay (in English or Hindi) Between 300 - 500 words which begins with

I'd like to become a Dakshana Scholar and hopefully attend Engineering/Medical college because I want to be a doctor. My name is Arati Debury. Now a days, the doctor earned a prestigious position in the society. When a doctor saved a patient's libe, he was worshiped as like as God. I want to be not only a doctor but a very good doctor & also a citizen. For this a good Medical college is required, this has only possible when a student quality the NEET / AIIMS Exams with good rank. "DAKSHANA FOUNDATION" is provided the best platform to J.N.V. as well as Non-JNV students from all over INDIA to achieve their goals. For a students belongs to poor family or middle class family, it the best platform. It has many centres in INDIA, Pune is one of them. And this is the best place for JEE/NEET coaching. It selected students from class 10th level and class 12th level. For class 10th level students, the scholarship programme be 2 yrs and for class 12th level students the scholarship programme be 1 yrs. A J.N.V. students belongs to middle class or poor family cannot afford the good coaching centre, for them "DAKSHANA FOUNDATION" is the best choice, and for admission
