## The Dakshana Foundation

### Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend a premier engineering/medical college, but cannot afford to be coached professionally by a world-class coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Joint Dakshana Selection Test (JDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including State government School records, Principal and school staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate coaching at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

I'd like to become a Dakshana Scholar and hopefully attend Engineering/Medical college because <sup>right</sup> from my childhood I have always dreamt of becoming an engineer through IIT and as a middle class student my parents can't afford the hectic fees needed for coaching. And Dakshana as a beam of light in darkness gives the hope that anything can be achieved if u dream and follow it with required sincerity and perseverance. Added to this is the great work of dakshana done to the underprivileged students. In this era where people tend to do business in such a holy field like education, Dakshana provides students with great facilities and faculty selflessly. Hence I think there's no better choice than Dakshana for me to achieve my dream. Despite getting a college I preferred to be a Dakshana Scholar because of the donation they give to society through such a great work and I feel proud to be
