## The Dakshana Foundation

### Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend a premier engineering/medical college, but cannot afford to be coached professionally by a world-class coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Joint Dakshana Selection Test (JDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including State government School records, Principal and school staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate coaching at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

Please write essay (in English or Hindi) Between 300 - 500 words which begins with

I'd like to become a Dakshana Scholar and hopefully attend Engineering/Medical college because

I wanna be Medical college student but get a admissions in a government college I have to be prepared myself at the best level and that could be only possible when I will do foundation course to make my base strong and I think Dakshana will open the way to my dream way. As in nowadays getting a coachings classes will not cost less than 1.5 to 2 lakh and being belonging to a middle class I think I don't think I could be able to pay this much amount. From last couple of years my father business is not much appreciable that he could bring my dream to be fulfill this tym ya he can do anything to make it true but being a daughter of my father I really don't want him to ask to someone for such a big amount. I just want that I myself stand on my feet and on my capability do my studies, Not to be known by my

fathers name but to give him a proud moment to him to be called by my name. Actually my mother is not able to do her studies well so she also dreamt that her daughter will become her eyes to see her dreams. She want me to become a doctor and I no through what circumstances she had gone through in her childhood.

I just beg you sir to provide me this golden opportunity to be a part of this zero profit program 'Dakshana'.

As per your records sir I no that you not only just make doctors and engineers like any other Institute but you make Human Beings and a disciplinary pupil.

From this Institute I just want to grab all the opportunities which you will provide for to make being a good kind person.

I pledge you sir if you provide me this opportunity I will stand over it and don't make you upset.

I really want this scholarship as I don't have accomodities this more that I could afford a coaching anywhere.

(You can use this form or a separate piece of paper. Please submit the essay in your own handwriting)
