The Dakshana Foundation
Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend a premier engineering/medical college, but cannot afford to be coached professionally by a world-class coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Joint Dakshana Selection Test (JDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including State government School records, Principal and school staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate coaching at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

Please write essay (in English or Hindi) Between 300 - 500 words which begins with

I'd like to become a Dakshana Scholar and hopefully attend Engineering/Medical college because i have heared that whoever once join it, will surely clear the NEET or JEE, from my classmates who has remain Dakshana scholar. Another reason is that our financial condition is not good. As in our home only my father does job whose income is very low. somdimes conditions have came yet that we have to borrow some money from our neighbours. We are four siblings. My elder sister is doing M.Sc. Her study expense is very much. Her marriage tension and as my mother has remain a tuberclosis patient so somewhat her medicinal expense also. Above all we have not a proper house we are living in two rooms which also has been lower than street level and whose roof is falling day by day. So already my father have so many tension.

I don't want to add one more into it. I want to become a gynocologist and get ride off my father from all these problem. For this i want to join a coaching class who should not be much heavy in case of money and give me exact direction to achieve my aim. And for this in my views nothing can be good that Dakshana. This is providing all the things which i wants. Dakshana is Ultimate. I want to join it for my study. During 10th class i couldnot give this escam due to the mistake of our class teacher. who assigned wrong marks in maths. And so i couldn'tgive that. But at last this time god have given me another chance. I will not let it go.
