The Dakshana Foundation

Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend a premier engineering/medical college, but cannot afford to be coached professionally by a world-class coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Joint Dakshana Selection Test (JDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including State government School records, Principal and school staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate coaching at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

Please write essay (in English or Hindi) Between 300 - 500 words which begins with

I'd like to become a Dakshana Scholar and hopefully attend Engineering/Medical college because I want to be a successful person in my life and Dakshana Institute is the place where I can start my journey towards success. And another thing to be a Dakshana Scholar is that also because my family cannot afford a one year coaching fees but in this Institute without any problem, any stress, any pressure I can study very well. And also there is no such environment of study at home but the environment of the Dakshana Institute is like that if makes us to study. The facilities which are given to a scholar without any fees made me to be Dakshana Scholar because the main problem of my family is that they can not give so much facilities and also a coaching which will of course very costly. Dakshana

Scholars are brilliant, genius and it is their swiftness that everyone will get success definitely because in Dakshana Institute only number of students are selected by an entrance exam and students are selected those who are strongly determined, hard working, honest. Dakshana Institute provide a platform to those students to fulfil their dreams. facilities and faculties are world-class or I can say I never seen before these type of facilities to a student without any cost or fees. I will be very happy if God give me a chance to be a Dakshana Scholar. Thank you.
