I'd like to become a Dakshana Scholar and hopefully attend Engineering/Medical college because Dakshana is just like my dream comes true. It is not only a foundation but a way of Success. After passing XII<sup>th</sup> every student wants to prepare for his/her IIT/NEET examination but he fails for it because they do not have enough money for the preparation. In this way a talented boy can't get that much of success which he/she deserves. But this foundation gives the path to success. The whole facilities are free here, Dakshana needs only our talent.

In this way Dakshana is doing a great job by providing better education for poor talented students.
