The Dakshana Foundation
Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend a premier engineering/medical college, but cannot afford to be coached professionally by a world-class coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Joint Dakshana Selection Test (JDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including State government School records, Principal and school staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate coaching at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

application

Please write essay (in English or Hindi) Between 300 - 500 words which begins with

I'd like to become a Dakshana Scholar and hopefully attend Engineering/Medical college because

Dakshana is such an institution where the talented students but belong to poor family get the opportunity to study for IIT or medical entrance exam free of cost. From childhood it is my hope to become a doctor & serve the poor people of India. Dakshana gives a chance to the good students of JNVs as well as some state schools for appearing the JAST or NDST from where the selected students are offered to join the Dakshana family which is an immense pleasure for the students. Dakshana's success rate is touching the sky and I believe that if I get the opportunity then I will try my level best. Our family income is not sufficient for getting admission to any coaching classes. Dakshana has selected me for the one year programme and I will utilise all the facilities which are provided for a good AIR. Dakshana selected me for

the two year programme also but then there was no facility for the medical/NEET aspirants. But now I have get the opportunity again. Dakshana has a good faculty of staffs which makes it different. The discipline, time schedule and hard working teachers are the main assets of Dakshana. And all the unprivileged students should get the opportunity and this will nourish many futures.
