The Dakshana Foundation

Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend a premier engineering/medical college, but cannot afford to be coached professionally by a world-class coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Joint Dakshana Selection Test (JDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including State government School records, Principal and school staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate coaching at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

Leave blank, if results are awaited.

Please enter your complete home address and write clearly in Capital Letters; if column is not relevant to your address, put "Nil." Pin Code is required.

Please write essay (in English or Hindi) Between 300 - 500 words which begins with

I'd like to become a Dakshana Scholar and hopefully attend Engineering/Medical college because ^{today} competition is very much tough and every body takes special coaching classes for medical or Engineering. But I belong ~~for~~ to a poor family of farmer. My parents can't afford me special coaching for this. So Dakshana is a dream destination for me and for thousand of other poor students across the ^{india} ~~world~~. Dakshana gives quality coaching classes for engineering and medical, makes students sharper and sharper to rank good score in the joint exam. I also want to score good rank in NEET exam and join a quality medical college. If we revise the success rate of Dakshana comparison to any other coaching institution is very high.

From childhood I want to be a doctor and serve to the public in remote areas. I know that without special coaching classes it is very difficult to score good in joint or medical. Dakshana doing a great job for years and I will be happiest if I get a chance to study in Dakshana. Dakshana have very much similarities with Navodaya vidyalaya, ~~and~~ so I will not face any problem in staying at Dakshana campus because I am a Navodayan.

(You can use this form or a separate piece of paper. Please submit the essay in your own handwriting)
