In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Joint Dakshana Selection Test (JDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including State government School records, Principal and school staff interviews, peers, neighbours, school alumni and direct verifications. Please write essay (in English or Hindi) Between 300 - 500 words which begins with

I'd like to become a Dakshana Scholar and hopefully attend Engineering/Medical college because first of all I want to fulfill the dreams of my parents. As I belongs to poor family, I cannot afford the tuition fees of private coaching classes. It is my desire to become an IIT engineer. but, unable to be coached professionally by word-class coaching institute.

THE DAKSHANA FOUNDATION is one of the best ~~institute~~ organisation which helps the students and to have their goal and to uplift them from their impoverished condition. The best thing is that DAKSHANA provides coaching totally free of cost. They do not take a single rupee from the student. DAKSHANA only wants to increase the potential, talent and result of the students. It provides best teaching by greatly talented and educated faculty, residence with fully maintained surrounding, and good quality food. This scholarship also include 100% coaching & books.

DAKSHANA gives their 100 % effort to give 100 % result. It is better to say that once the student becomes DAKSHANA SCHOLAR then he will always a scholar.

I really want to thanks DAKSHANA to give ~~the country~~ best engineers and doctors to our mother India. If DAKSHANA would not help them, then India would not have such tallent. I support DAKSHANA to help poor students like me, and become a turning point of their life.
