The Dakshana Foundation

Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend a premier engineering/medical college, but cannot afford to be coached professionally by a world-class coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Joint Dakshana Selection Test (JDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including State government School records, Principal and school staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate coaching at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

Please write essay (in English or Hindi) Between 300 - 500 words which begins with

I'd like to become a Dakshana Scholar and hopefully attend Engineering/Medical college because I want to be an good doctor (successful) doctor in my life. I heard a lot about the dakshana that it is one of the strongest best institute for scholarship. And I want it very much because my parents can't afford if I take ~~teaching~~ from other private institute as our annually income is about 60,000 and moreover we have BPL card, it's very critical point for my family if I would have to take coaching from outside in some other institute, and if I take also, it would be like a big crisis for our family, so for this I want this scholarship from my inner core of heart. I respect a lot to this institute. In this I want to give my best. Moreover, if I would be selected as a "dakshana scholar", I will feel as if I am a "millionaire". I am from very poor background, so, by taking

knowledge and doing hard work. I want to go up & up & I want to make my graph straight. I will never give up. If I get in this, then my family would be very happy & our villagers will also be happy & our village will be the familiar village. I want to do that by taking positivity in my mind. I also heard that who gets chance in this scholarship, it is sure and certain that they get some very good position for their life time. I want to be a good citizen of India & I want to develop by serving my people, so for all this thing, now at instant, I have to take coaching because it would be hard for me to get direct chance in NEET or AIIMS, so, I want this scholar very kind heartedly. If I ~~get~~ would be select as Dakshana scholar, I would be very happy in that field as if I have awarded something else to my patients. Finally, I need it becz of unprivilege and economic problem.
