Full Name A. RAJU

Dakshana Scholars are gifted, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of tuition, boarding, lodging, books and incidentals. In order to be eligible to apply for becoming a Dakshana Scholar, **ALL** of the following conditions must be met:

1. You have cleared the entrance test of either Bansal Classes, Career Point, Resonance, Insight or FIIT JEE and done well enough for the management of the institute to confirm to Dakshana that the odds of your getting into IIT after 1-2 years of coaching are 25% or better. For example, at Bansal Classes, there are about 10,000 students who take the Bull's Eye entrance test and 2000 are accepted. In order to meet this criteria, you would need to have ranked in the top 25% of the 2000 accepted (1st 500). If you are unable to afford the fees for the entrance test or the travel costs etc. for the test, please submit your application if you meet all the other criteria. The Dakshana Foundation will evaluate your application and arrange for testing at its expense if the applicant fits our criteria and looks promising.
2. Must have atleast a 75% average in Physics, Chemistry and Mathematics for every year (9th through 12th standard) that the applicant has completed.
3. The total typical household monthly income (total income of all members of your immediate family) is under Rs. 7,000 per month.
4. The total assets of your immediate family (including any savings, real estate or property) is under Rs. 1 Lakh.
5. You fully meet the IIT JEE Eligibility Criteria. See <http://www.jee.iitb.ac.in/eligibility.htm>
6. The Dakshana Foundation believes that the beneficiary of aid today is the donor of tomorrow. We believe that helping gifted, impoverished students get a world-class education has a very high return on invested resources to the individual, the family and the entire community. Dakshana Scholars have a voluntary moral (but not a legal or contractual) obligation to donate

10% of their monthly lifetime earnings back to the Dakshana Foundation to fund future Dakshana Scholars. They could also choose to give to any other charity of their choice. Or they can choose to give nothing. The choice is yours and we accept whatever you decide. After a few years, we fully expect Dakshana to be sustained and grow from this voluntary giveback and help an increasing number of impoverished and gifted children every year.

I'd like to become a Dakshana Scholar and hopefully attend IIT because I am student from a small village and my economic background is so poor. I got 93% of marks in 10th standard and all the students who got 90% and above in our school went outside and joined in corporate colleges with spending some thousands of Rupees for month. But I can't spend that much money outside in the Corporate Colleges. When I am in 2nd standard my father had died, and from 2nd class onwards I started to work on my own ideas, ofcourse my parents and teacher encourage me to study well. In 6th standard I got seat in Navodaya. my mother work as a daily labour in our small village. And I don't have any elder brother. I am the elder son in the house. There is a elder sister for me whose marriage over about 10 years ago. I have a smaller brother who is studying 7th standard class in government high school of our village. This is my family situation. So, in outside I can't spend that money to get IIT coaching. So, I like to become a Dakshana scholar and hopefully attend IIT to overcome my problems, and to get

into JTT. If I get in JTT my life ~~is~~  
~~is~~ my family position will be in one order.  
So, I will compulsory do hardwork to get  
into JTT.
