Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend ^{NEET} ~~HT~~ because as my aim was to become a good doctor and to serve people in a good way. So I came here. first thing was to thank dakshana for giving me this great opportunity to be a part of one year programme. When I completed my 12th class. I used to think about future and Medicine then always one thought used to surround me that is Money. As I am a middle class family girl I can't afford much money but dakshana gave a good opportunity to prove myself. Now my only aim is to do medicine in AIIMS (Delhi). I hope that I will achieve it. so all my dreams are coming to be true only because of dakshana only. So I will be very thankful to this great foundation. Though my aim is to become a doctor. but I also interested in doing civils so I will be taking M.B.B.S as a degree for civils. If it never happens then I will be continuing as a doctor and for serving

people. Now I can confidently tell that I am going to be a doctor. because I heard very greatly about dakshana so now I am Confirmed that I am a good doctor. so, Thanks to dakshana for providing an excellent atmosphere for us. even though the corporat School were taking very much Money for one year programme. but dakshana makes it free for talented Student who can't afford much money. so, thanks to dakshana for giving us a wonderful Opportunity.
