## The Dakshana Foundation

### Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend a premier engineering/medical college, but cannot afford to be coached professionally by a world-class coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Navodaya Dakshana Selection Test (NDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including NVS records, Principal and school staff interviews, peer, neighbours, school alumni and direct verifications. Should any information be found to be willfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana scholar and /or terminate coaching at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

Please write essay (in English or Hindi) Between 300 - 500 words which begins with

I'd like to become a Dakshana Scholar and hopefully attend Engineering/Medical college because I am interested in engineering and it is a great opportunity to me that I have got a chance to become a Dakshana scholar. I want to become an computer engineer because I am much interested in computer programmes. I want to invent new softwares and hardwares in the era of computer. I hope that I will cross the Dakshana selection test because I have worked hard for becoming a Dakshana scholar. I want to attend the engineering college because I want to serve the society. Today there is more competition in the era of engineering and medical. All the students hopes that they will qualify the IIT / Aims, and for qualifying these exams, there is many coachings across the country but they are taking much more fees to give the student coaching. But Dakshana foundation is helping the students who are interested in medical or engineering through the NDST or JDST. Dakshana foundation is giving free coaching for IIT / Aims to the students. I want to thank the Dakshana foundation for giving me

a great opportunity to become an engineer and serve the society. Nowadays, this is the world of science where technique has gone beyond our imaginations. Computer, smartphones are examples of this high technology. I feel very excited for the computer, smartphones. They attract me and I want to invent much more things in the computer era. Engineering is the best way to invent the computer softwares or hardwares. So, I want to become an engineer and for this I am taking the help of Dakshana foundation. So, that I can take 2 year free scholar and I would cross the IIT. I hope that if I cross the NDST, then Dakshana would give me the education by which I can break the IIT and would take the admission in an engineering college. I want to give to society a world of computer where all the things are based on computer. I am much curious in the inventions. So, I want to become an Dakshana scholar.
