The Dakshana Foundation Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Grand Dakshana Selection Test (GDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including NVS records, Principal and JNV staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate coaching at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

I'd like to become a Dakshana Scholar and hopefully attend IIT because I need it & Dakshana is helping me to achieve this goal. From childhood, I wanna be an Engineer but that time I was unknown from all those things. But, when I grown older I knew about it.

Dakshana Foundation helped me and had a also good coaching partners - Dakshana is providing us all resources which are not possible at home.

I think that on my studies & education there is also a right of my country people and I can serve my best to them by IIT-JEE.

Actually, I want to serve and I was not financially supported well by my parents and dakshana is a blessing for me who make my dreams reality. I will do it!

Faculties of here are very good

As there are many myths about GDST tests like - Exam is very hard to crack but I say that nothing is impossible to succeed if your preparations are well and planned accordingly to your aim.

Thanks, Dakshana-

(You can use this form or a separate piece of paper. Please submit the essay in your own handwriting)
