Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because IIT-JEE (Indian Institute Technology - Joint Entrance Examination) is one of most difficult exams in the country. IIT-JEE is shrinking the chance to get through it. Whole country is competively attending exam. I know that only 1 in sixty student can crack IIT-JEE. For such an examination, preparation and planning should initiate from the root itself, from tender classes.

In our country, there are ^{brilliant} students who cannot afford to be coached by a good coaching agent. Dakshana is giving a great coaching for such students along with CBSE secondary education. In my view, education should be given along with an educational environment, the coaching serve that purpose.

Dakshana also provide 100% free study materials to the students which enable them to bring life to their dreams. IIT is one of the most

prestigious institute in our country. It is very precious to be an IITians.

I also come to know IIT-JEE pro coaching provided by the Dakshana foundation is 100% successful in the first year itself and I believe that IIT-JEE coaching integrated with 11th and 12th will ensure me to come out with flying colour.

Dakshana select their scholars through a brilliant screening test and it ensures the most talent as well as economically weak pass through. This ensure that each and every ~~poor~~^{poor} and talented student can ensure their seats in IIT.

I hope that I will become an Dakshana Scholar and it will ensure my future brighter than the sun. I hope that dakshana foundation will be encouragement for socially backward student to come up and built up our nation strong.

(You can use this form or a separate piece of paper. Please submit the essay in your own handwriting)
