**The Dakshana Foundation  
Application to Become a Dakshana Scholar**

Dakshana Scholars are brilliant, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Grand Dakshana Selection Test (GDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including NVS records, Principal and JNV staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate coaching at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

I'd like to become a Dakshana Scholar and hopefully attend IIT because I like the field of technology. Nowadays there is a huge development in the field of technology. Many of the new devices, electronic gadgets have been introduced in the international market. These have been the changed the human life and had mould into a modern life — A luxurious life. Not only this comfort and Richness. By the development of the technology and science field. The India would also earn the great name in all the fields. So far earning great name internationally, the citizens, i.e the future citizens of Indians they are the students should be greatly educated and earn good name for the country. After getting an IIT seat, I don't want to leave our Motherland — India after achieving a good position as a Scientist I wanna leave my country motherland India. And even all my classmates should also think in the way which will benefit our motherland and ourself should be proud for the work what we achieve for the India.
