The Dakshana Foundation

Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Grand Dakshana Selection Test (GDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including NVS records, Principal and JNV staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate coaching at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because it is a matter of own evaluation and subsequent improvement in my own experience and knowledge.

IIT is a dream of every Indian youth, but most of the times it always ~~sets~~ stays as dream itself, as for getting into an IIT is not much easier in this highly complicated competing and funny world. In this era, where parents are even ready to send their children to some IIT coaching centre, paying a huge amount of money, I am happy to join this programme, as the standard facilities and best quality teaching we receive are of no-cost by money but of 'high-cost' by value.

The intention of of dakshana, ~~itself~~, to give opportunity to the poor and not-well off society in the country to flourish himself is the noblest intention of all. To find

talent in them is the best thing
ever to be done, the intention of the will
be much much appreciable and noble than
the result of the integrated programme.

As an Indian, getting into IIT
I want to serve my country, but
for me it would not be enough. I am
not interested in a seat in an IIT
but gaining a potential to crack one
of the toughest exams in the world. The
knowledge and experience that I would
learn through this comprehensive programme
period would be the best gift I receive.

At the time ^{thought} ~~thinking~~ about
the fees and other expenses that I would have had to
bear if I were in normal school is felt
as a nightmare. My parents are also very much
relieved, as they are happy to give me
my opportunity to get the best coaching
for the toughest exams. Thank you DAKSHANA.
