I'd like to become a Dakshana Scholar and hopefully attend IIT because I had chosen my aim for IIT-JEE in class 6th and I am working hard to attain my aim. I want to qualify IIT-JEE and become an aeronautical engineer. When I was in class 6th I had heard about IIT-JEE, that is the institute for engineering. I had a dream from my childhood to construct something. When I reached high school then I came to know that IIT-JEE is a very tough competition and there are number of coachings that prepares students to qualify IIT. My economic condition was not good to afford for coachings for IIT. Then I heard about Dakshana from my school that it is a coaching institute which prepares poor student for IIT-JEE. At that time only, I decided to join this coaching. So I started to work hard in my studies. After declaration of result of 10th class, I came to know from my school that

I am chosen to seat in the entrance examination of Dakshana Foundation. When I came to know this I was very happy. My father also told me to seat in this examination and qualify it. I worked hard and I qualified it. When I was selected to go for JNU Kottayam my mother was very emotional as it is very far from my home but my father was happy to send me for Dakshana foundation for IIT coaching. Now I have reached J.N.V Kottayam and I am working hard to qualify IIT-JEE. Here teachers are teaching in a very good manner. I want to thanks to Dakshana Foundation who is giving me free coaching for IIT-JEE. I believe in hard work and blessing of my parents and god. So I am very hopeful to qualify IIT-JEE.
