Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because IITJEE is a prestigious examination and at least every science student has a dream to become an IITian and pass IITJEE with his best possible Rank. Dakshana is helping some of the brilliant students of JNU's all over India whose parents could not afford their children to get the coaching of IITJEE.

I had an elder brother. He is also preparing for IITJEE. My parents had to afford a lot - for his study. So now they are not in a well position to afford for me also. At this time Dakshana Scholar has come to be very useful for me now I can also dream to become an IITian.

I had heard that approx four to five lakhs students attend IITJEE out of which only approx 10000 students got selected. To prepare students for this tough competition Dakshana was doing all

the possible efforts for our preparation.

I had heard from my parent JNU's teachers of the ~~good~~ ^{good} results of IIT JEE of Dakshana scholars. I also heard about the teachers, from T.I.M.E. Their teaching techniques, their preparatory methods for the students. This all has seemed to me good.

Dakshana provides their students a good study environment for preparation towards IIT JEE.

It was ^{one of} the happiest moment for me in my life when I got the news that I had selected for Dakshana. I thought that I had crossed the first step towards IIT JEE also many steps had been left but I think ~~that~~ that Dakshana will surely help me to cross rest of the difficult stages and I will surely get selected in IIT JEE.

With all these hopes from Dakshana I want to become a Dakshana scholar.

(You can use this form or a separate piece of paper. Please submit the essay in your own handwriting)
