I'd like to become a Dakshana Scholar and hopefully attend <sup>NEET</sup> ~~NT~~ because this is my aim but my dream aim to qualifying for AIIMS, NEW DELHI. I am thinking to became a doctor from class 8<sup>th</sup> when I was secured 1<sup>st</sup> rank in Science olympiad. this enhance my interest in science. So, I think to join Dakshana through selection test (NEOST), which give me opportunity for preparation of medical free of cost. My family economicaly background is poor but dakshana give me free coaching for preparation of medical. Dakshana is like a god for those students who are poor but talented. this institute provides all necessary books for medical preparation. without any cost. and other facility like.

high knowledgeable teachers, T-shirt to students who are selected in selection test.

I spend my last 2 days recently in J.N.V Pune and attend class of dakshana in these two days I take many inspiring stories from my dakshana teacher who built confidence level in all students to become a doctor.

Teachers shares his experiences with us. when teaching we don't get bored like other boring teachers our physics sir shares our life story with us. that he is also belong to a poor family but he don't leave his higher education.

He inspire me very much. when I see him, I don't feel sad about our economical background. because I thought that soon I will also reach at that stage. So, lastly I want to give a lot of thanks to my teachers & dakshana foundation.
