The Dakshana Foundation Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Grand Dakshana Selection Test (GDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including NVS records, Principal and JNV staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate coaching at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

Name- Avinash Kumar

Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because it is my dream to become an IIT engineer. I dreamt from my childhood to become an engineer. When I was in J.N.V Sitamarhi I started preparing for my goal. When I was in ninth standard I found that my family income was not sufficient to support me studying in a good coaching institute which helps the students prepare for IIT. At the same time I found that my one class senior batch gave the examination of the Dakshana Foundation. I tried to take more details from them about Dakshana Foundation. When I consulted with them I found that it is a best option for me. Dakshana foundation gave the J.N.V students IIT coaching for free of cost. It conducts GDST exam and the selected students will be given the IIT coaching. Moreover it is linked with the NVS. This is another benefit of it because we have not to go out from

J.N.V. It also provides study materials
The faculties which give the coaching are
the best ones. Dakshana Foundation opens a
way for me to achieve my goal. Now
I have ^{also} an opportunity to become an
IIT engineer. I am very much grateful
to Dakshana Foundation who is providing such
a great coaching of J.N.V students and
supporting the poor students to make
their dreams true.
