Application to Become a Dakshana Scholar

The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including School records, Principal and staff interviews, peers, neighbours, school alumni and direct verifications. Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because I have strong fascination towards IIT. I am also from poor background, We used to live in village so I want to live in city. I want a perfect job after graduation but private college doesn't give perfect job and IIT gives the annual package of 2 or 3 Crore. So I wanted to join IIT. I also want to become mechanical Engineer. I want to graduate from IIT Roorkee. After passing 12th I have a dilemma that what should I do coaching or join the college. Then Dakshana gave me the one year free coaching scholarship by which my dreams can be fulfilled to attend IIT. I also wanted to join IIT because it is the best Engineering college of India and its syllabus is slightly different from other colleges. In its course some foreign subjects are also included.
