Please write essay (in English or Hindi) Between 300 - 500 words which begins with

I'd like to become a Dakshana Scholar and hopefully attend Engineering/Medical college because I want to become an engineer and serve my nation India. My parents cannot afford to be coached by private institutes. If I become a dakshana scholar and then it will help me a lot to crack JEE exams and I can become a successful engineer and can serve my nation. The environment that a scholar get in Dakshana is very ideal to achieve his/her goal. I want to be a dakshana scholar and make the best use of the facilities that it provides and want to fulfil my parents dream. I have heard about dakshana that it is a very good institute that helps students to crack JEE exams. And Dakshana exam is the best way to achieve my goal. Dakshana provides best study material, facilities and many more other facilities to the dakshana scholars. At present time it is a big problem for girls to stay

away from house for study.  
But in Dakshana there is no  
such problem. It is one of the  
best coaching institute. So it is  
very important and big platform for  
me to achieve my goal  
and fulfill my ~~dr~~ dream.  
So, I want to be a Dakshana  
scholar. And also our  
financial / economical background is  
not so good by which my  
parents can provide me coaching.  
The Dakshana is the only way  
or platform by which I can  
fulfill my parents desire.
