The Dakshana Foundation Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend a premier engineering/medical college, but cannot afford to be coached professionally by a world-class coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Navodaya Dakshana Selection Test (NDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including NVS records, Principal and school staff interviews, peer, neighbours, school alumni and direct verifications. Should any information be found to be willfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana scholar and /or terminate coaching at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

I want to become a Dakshana Scholar because I have a strong desire to become an excellent engineer. Because of my financial condition, my parents are not able to give me extra coaching. It is my dream that I become a brilliant engineer and fulfill all the expectations of my parents. I want to help the poor people who are in need. And I think if I am selected for the Dakshana Scholarship then I will fulfill all my dreams. So, it is my great desire to become a Dakshana Scholar, that opens the door of success for me. By this I become a great person in my life. And Dakshana Coaching is the best way to achieve my goal. Dakshana provides the best study material, facilities and many other facilities to the students. At present time it is a big problem for girls to go away from home for their study. They have to face many problems, and parents are also worried about their safety & security. But in Dakshana there is no such problem. So, this is a very important & big platform for me.
