Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because I, myself has realised that so many students of JNVs who have ability and talent are eager to join your institution including me too. With your help many Nauodayans have good rankings in IIT-JEE exams.

As I am also a Nauodayan more than that an IIT-JEE aspirant from childhood I do want to take training from experienced faculty of your institution. With which I think, I will get into world of beautiful minds i.e IITs. But as I have already mentioned in this application form, ours is a middle class family. My brother (Nagaraj) who is pursuing his B.E (E&C) in Bangalore requires at least a lakh rupees a year and similarly my sister (Chetana) too. I, the younger of all had been studying in JNVH freely reducing my father's burden which had helped my elders as well as my parents.

It is not possible for my parents to send me for IIT coaching by paying huge amount

I thought my ambition will become dead one. But after hearing the news of your institution it became alive. It's not the problem of me only but the problem of every middle class family student. The one which are able, never think of our own nation except few after becoming scholar, they will fly to foreign countries. This is very bad on our fate. So an institution is required to make them valuable minds and be aware of serving the nation.

I think that Institution is "DAKSHANA FOUNDATION" and one of them is me. The valuable minds created by DAKSHANA will definitely help the nation to come out with flying colours. I do request the DAKSHANA FOUNDATION that more and more students has to be benefited from this institution especially Navodayans who are from rural background irrespective of their caste. At last I think everyone will like your institution and pray god to increase this opportunity. In due I am trying hard to join your institution.

(You can use this form or a separate piece of paper. Please submit the essay in your own handwriting)
