The Dakshana Foundation Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Grand Dakshana Selection Test (GDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including NVS records, Principal and JNV staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate coaching at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

I'd like to become a Dakshana Scholar and hopefully attend IIT because It is the only very simplest and also challengeable way through which I can easily & justly achieve my goals. I would secure my job as fast as I could & starts to earn money and relaxed my parents. Once I get into IIT I after that I am more eager to help needy people such as students in orphanage, I also below BPE. After doing hardwork I would definitely crack IIT-JEE & Dakshana is also successfully going to help me then there is no hurdles in my way to IIT-JEE. I am selected for Dakshana later after 1 month so first of all I am very thankful to my God and yes if he believe that I have potential & guts to crack such a exam I will definitely proved him true. I came in Dakshana to charge myself. First of all I think myself an average student

Because rarely I in some year I brought rank in class. I have very negative points of myself but Dakshana show me the real mirror of my abilities. It is not at all easy to clarify the exam that we people do, I do not the to ranker of my class. I am more curious about science, in all my life I just want to know the reason of everything and information of minor particles. Folks say the scientist are mad, I want to become mad, crazy also in my aim. Being a Dakshana Scholar I want to shine like star help to others I make my parents proud to have a daughter like me.
