One of the most important thing is I want developement of India. As I belongs to a very poor family. But when I gave exam for selection of J.N.V, I got passed. But after 10th, I started thinking where will I go for preparation for IIT. After that I listen about Dakshana foundation. I got a chance to be Dakshana scholar. Dakshana is free of cost. and give free education to Dakshana scholar. I think there were various Institute that prepares for IIT. But I think. Dakshana is the best of all. All the institute

weeks for money and takes more and more money from students. But I have no money. So I get a chance and I think I'll face IIT with good but Best rank. I think Dakshana give 100% sure chance to IIT. I think Dakshana foundation is God for poor student. ~~to~~ I am sure to get IIT. And after being Engineer I won't serve India. I make India more and more developed. I make India as Developed country. I want to give thanks to Dakshana founder. I India needs more and more such types of man. that India do best of all country. And at last, I am sure to get IIT.
