The Dakshana Foundation
Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend a premier engineering/medical college, but cannot afford to be coached professionally by a world-class coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Navodaya Dakshana Selection Test (NDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including NVS records, Principal and school staff interviews, peer, neighbours, school alumni and direct verifications. Should any information be found to be willfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana scholar and /or terminate coaching at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

I'd like to become a Dakshana Scholar and hopefully attend Engineering/Medical college because I have interest in engineering and Mathematics also. it is a great opportunity to att become a Dakshana Scholar student. Because I have not enough money to do coachings professionally and I am unable to attend coachings so it is a great opportunity. I want to attend Engineering because it is a great opportunity to serve and make a developed country. I heard that most of the students are selected in IIT from Dakhana. Dakhana gives 100% scholarship on coaching fees and books. Dakhana is the best coaching for engineering and it makes enable those p students who are unable to go professional coaching due to lack of money and some other problems. I am also facing such problems so attend I want to attend Dakhana scholar. I want to become an engineer because I want to serve those people or students who are unable to attend go engineering due to

lack of money. And I want to serve those people who are unable to take two time food and those people who are not unemployed and spreading here and there for their work for money. I want make our country a smart and developed country. I want to work for my country. Dakhana Scholar is the greatest opportunity for me to become an engineer.
