# The Dakshana Foundation
Application to Become a Dakshana Scholar

Full Name ___Lusku Besna___

Dakshana Scholars are gifted, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of tuition, boarding, lodging, books and incidentals. In order to be eligible to apply for becoming a Dakshana Scholar, ALL of the following conditions must be met:

1. You must qualify in the Dakshana IIT-JEE selection test and personal interview. The decision of Dakshana in this regard is final.

2. Must have atleast a 75% average in Physics, Chemistry and Mathematics for every year (9th through 12th standard) that the applicant has completed.

3. The total typical household monthly income (total income of all members of your immediate family) is under Rs. 7,000 per month.

4. The total assets of your immediate family (including any savings, real estate or property) is under Rs. 1 Lakh.

5. The Dakshana Foundation believes that the beneficiary of aid today is the donor of tomorrow. We believe that helping gifted, impoverished students get a world-class education has a very high return on invested resources to the individual, the family and the entire community. Dakshana Scholars have a voluntary moral (but not a legal or contractual) obligation to donate 10% of their monthly lifetime earnings back to the Dakshana Foundation to fund future Dakshana Scholars. They could also choose to give to any other charity of their choice. Or they can choose to give nothing. The choice is yours and we accept whatever you decide. After a few years, we fully expect Dakshana to be sustained and grow from this voluntary giveback and help an increasing number of impoverished and gifted children every year.

LUSKO BESRA

I'd like to become a Dakshana Scholar and hopefully attend IIT because I was not much successful in the past. and I do not believes that I cannot be successful in the future. In real life. the past does not equals the future. It is my confidence which says such.

Its my great desire to do something admirable I want to become an Engineer. It is my ambition of my life. Even I am an average student I dream to be past of IIT, the most prestigious institute for Engineering in India. In my thoughts the most powerful thing in the universe is 'human's will power" if one deciedes to commit himself to his goal and take action in a strategic and careful manner, surely he will achieve his goal.

But I believes that I can get into IIT. I understand that success at IIT is independent of success in school But the most important thing for a student is 'Guru' That is reason 'Guru' is most valuable creature. I believes that need of a 'Guru' will be fulfill by

Dakshana Foundation. So, I would like to join dakshana — because

• It fulfill my need of Guru and good reference materials for cracking the IIT-JEE examination

• In fact, it helps me tremendously. It learned me the techniques required for success at IIT-JEE exam.

• It would be helpful for me to motivate myself

• It help me program my brain for optimal performance.

• Give me plenty of hotshot ideas on how to sail through the IIT-JEE Examination.

• Dakshana actually help me visualize and crystallize my success and share with me

• top secret study and test taking tricks.

It is my fortune that I am an Dakshana scholar even than if I will be not selected at last of two month (MAY-JUNE) in screening test. But my confidence says that I will be surely success in screening test and become an accepted scholar at Dakshana.

Thanks — "Dakshana Foundation." best wishes......
