The Dakshana Foundation

Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Grand Dakshana Selection Test (GDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including FMS records, Principal and JNV staff interviews, peers, neighbours, school alumni and direct verification. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate coaching at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

I'd like to become a Dakshana Scholar and hopefully attend IIT because, I want to be a good engineer. I have heard that IITs are the only most prestigious engineering college in India. Therefore I ~~for~~ also want to get into this institution. To get into IIT, its entrance exam question set is very hard and only few top rankers from all India are selected. I would like to become a Dakshana Scholar because I ~~also~~ want to get coaching and get into IIT. I am not from well background family so I ~~can't~~ can't afford any high level coaching. Dakshana is giving free IIT coaching to some JNU student to explore their talent, so I also want to get into Dakshana and afford the chance. I want to thank Dakshana to give me chance to become a Dakshana Scholar. Atlast thank Dakshana for helping JNU students for helping them in explore their talent.
