## The Dakshana Foundation

### Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Grand Dakshana Selection Test (GDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including NCVS records, Principal and JNV staff interviews, peers, neighbours, school alumni and direct verification. Should any information be found to be willfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate coaching at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because I belong

to a family of five members (2 brothers + 1 sister) ...  
Parents in which source of income is only my mother (a govt teacher) and the overall expenditure is much beyond income and have negative saving. Even after class X<sup>th</sup> board exam I was in very much depression because some of our friends were going Delhi, Kota for engineering preparation which was a dream for me. After GDST exam I was totally dependent on its result. So I would like become a Dakshana scholar because it helps the students like me with free of cost in engineering preparation. I will hopefully attend IIT because, its my goal and making my family (home) in good position and also to stretch out the debtness. There is also another reason in my village the boys like me don't study means there is no light of education. Their parents are illiterate (mostly) & I am who has born in some literate family.

so I want to serve the society after getting my goal and obviously seeing me other boys/girls in our village will start to study to higher education. God willing and with the blessings of parents teachers now I am a dakshana scholar and I will try my level best to secure good rank in IIT-JEE and be a proud of Parents and teachers. Dakshana is a big source to nurture the students like me and I have also get a chance to become a Dakshana scholar and I swear I will not try to go in waste its my big opportunity. Its a way through which I can get my goal and in future serve the students like me in present, serve the nation and society. And at last I will give the words of thanks to team Dakshana to serve the nation.
